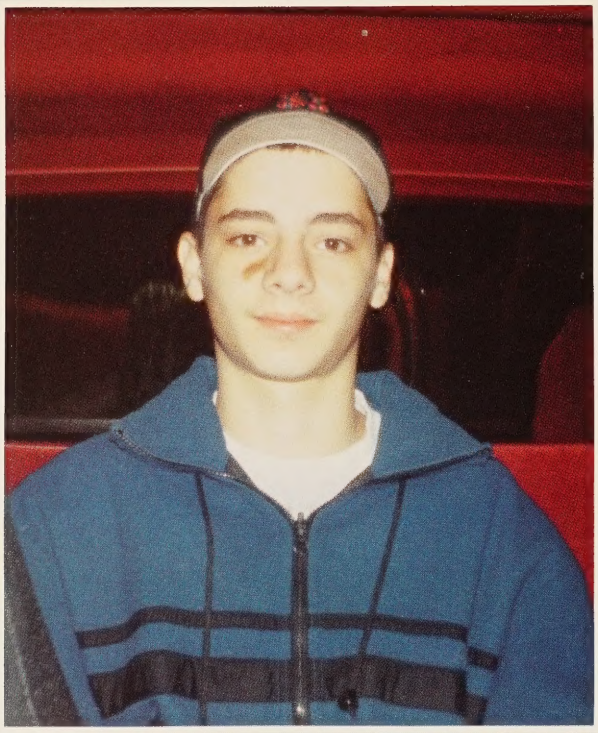
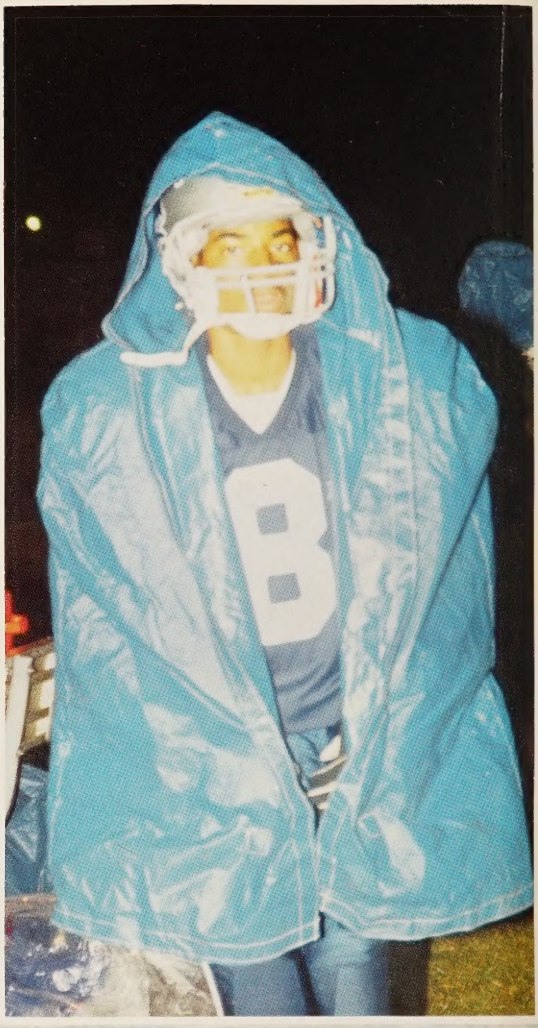
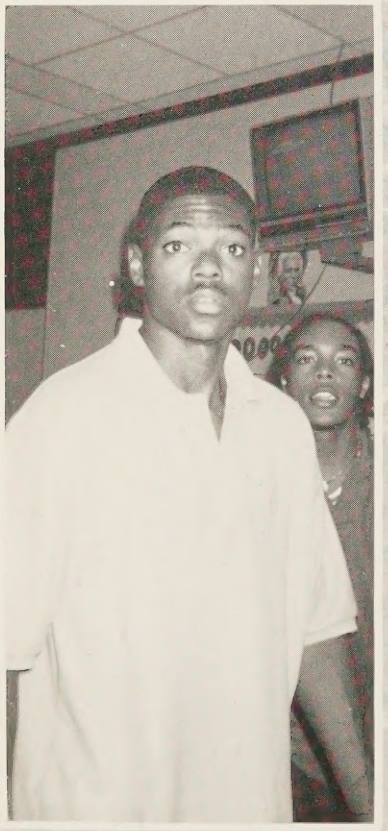
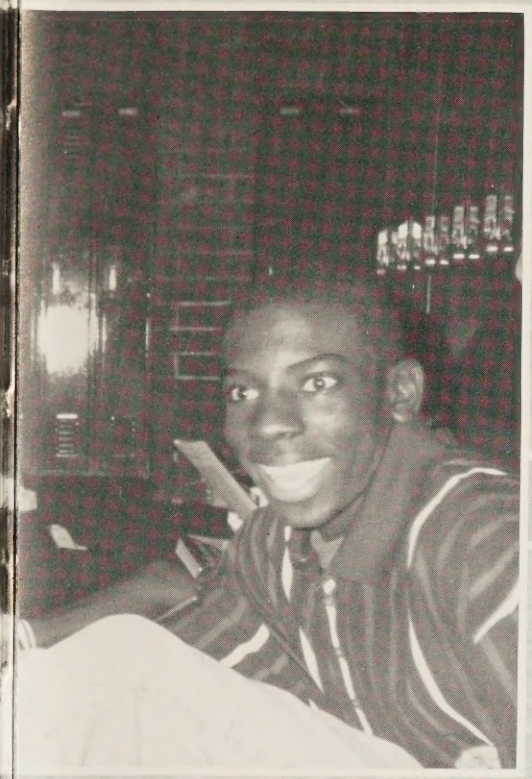
DARE TO BE Different





DURABILITY





Dare To Be Different

Day after day, students go through the same routines which are necessary in life. Climbing out of bed when the alarm goes off, a quick breakfast, getting dressed, and off to school. Seven hours of classes . . . some classes are exciting, challenging, and worthwhile, while others are less so. That's why the yearbook staff decided to make this year's yearbook different and unique. Our theme is "DARE TO BE DIFFERENT!" The cover of the yearbook does not carry the traditional school colors and the format of the annual is totally different.

Our student body is unique! We come from different walks of life and from different parts of the city and the world. From southside Portsmouth, to the downtown area, from the Cradock community to High Street, our students come together each day and unite with a strong sense of school pride and school spirit. This year the Wilson family welcomed students from all over the world. Whether it is Christian from Brazil, Anna from Germany, Juan from Ecuador, Tai from Japan or Jury from Slovenia, we all harmonize well together. Yes, we are all different but we all proudly wear the school colors of silver and blue. We "DARE TO BE DIFFERENT!" and it's okay.

MANOR

You Are The Best, Mr. P!

Joseph Pociask

The 1995 annual staff dedicates this year's edition of the yearbook to one of Wilson's assistant principals, MR. JOSEPH POCIASK. Mr. Pociask, or Joe, as he is known to his colleagues, has been at Wilson High School for the past three years. It is easy to recognize Mr. Pociask when you see him in the hallways because he always has a smile on his face and a walkie-talkie in one of his hands! It is this easy-going, friendly manner of his that has won the hearts of many Wilson Presidents students. He has a tough job, mediating problems between students and parents and teachers, but he always does so with both firmness and fairness. Though often times he has to make some unpopular decisions, Mr. Pociask is well respected by both his peers and the Wilson student body.

When not in school, Mr. Pociask spends his spare time listening to music, gardening, and traveling.

CONGRATULATIONS, MR. P!

Varsity Presidents

The Presidents took the field this year in much better form than last year. The season didn't show much promise, but overall the team improved greatly. Who could forget the exciting win at Harbor Park over then undefeated and No. 3 ranked Lake Taylor! Coach Baker and his staff did a great job with this group of crazy killers. Senior captains were Shawn Oliver, Jason Lewis, Darrly Scott and Darrius Edwards.

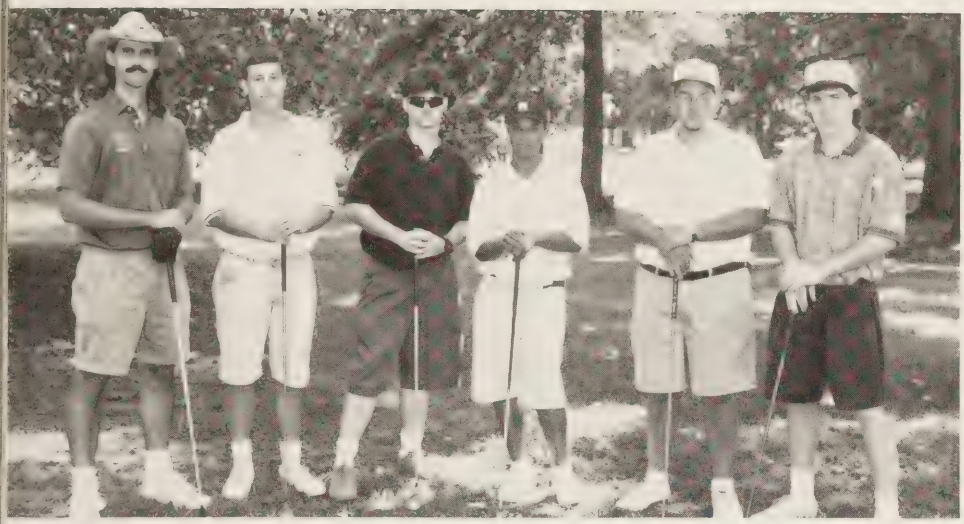
GOLF



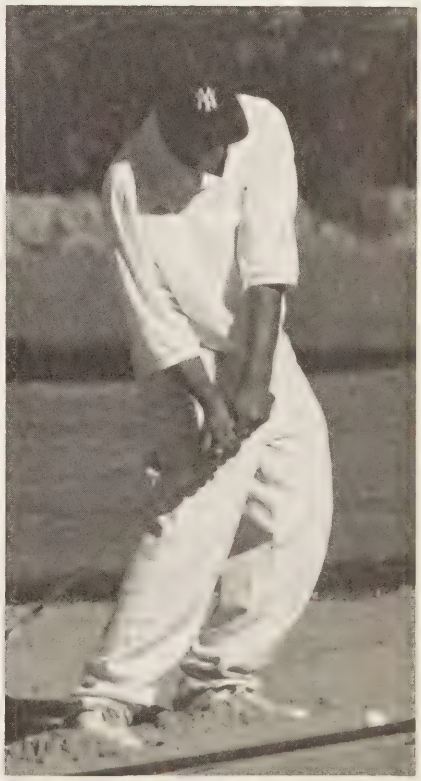
L-R — Coach David Roach, Jimmy Smith, Pat Duncan, Shawron White, Jason Smith, and Keith Allman. **Missing**: Eric Coltrain

The 1994-'95 Wilson High School Golf Team had five players: Seniors Keith Allman, Jason Smith, Jimmy Smith; and two Sophomores — Eric Coltrain and Shawron White. The team had a new coach, Mr. David L. Roach. The district record for the year was 1-6, non-district was 1-3, for an over-all record of 2-9. Individual averages were: Keith Allman 112, Eric Coltrain 100, Jason Smith 89, Jimmy Smith 96, and Shawron White 95. The golf season actually began in late summer, before the opening of school. The team practiced for four hours a day, five days a week. The entire team was well disciplined and a few team members managed to work part-time jobs while practicing and playing. The overall record did not reflect the immense honesty and integrity that all team members displayed throughout the entire season. Coach Roach looks forward to next year's team.

Eric Coltrain zero's in on a birdie putt on hole #2 at Stumpy Lake during the district tournament.

Jason Smith cranks up his big bertha during the district tournament at Stumpy Lake.

Cheerleader Sarah Duncan wishes Coach Roach and the golf team good luck.



Shawron White saves par, on hole #4, at Stumpy Lake during the district tournament, with a superb bunker shot.

Tennis

Boys' Tennis — '94

The Boys' Tennis team experienced a rebuilding year in 1994 after losing five of their top six players from the 1993 team. With five players and only two with any competitive experience the team managed only one win, which came against Stonebridge Academy. Three foreign exchange students, one Carl from Germany, Denmark and Mexico added to the team's international flavor and helped to make the season quite unique.

The team worked hard to improve as the season progressed and played one of their better matches against a strong narrow team, losing 6-3 late in the season. Leading players on the team were Keith Allman at #1, Alberto Escalant at #2, Andy Johnson #3, Olaf Dentschbein #4, Lars Hansen at #5 and Tommy Moose at #5.

The Varsity Girls Tennis Team finished the year with a 3-4 record. The season would have been more victorious if Frances Genera would have been allowed to play the entire season, but due to Virginia High School League transfer rules, she was ineligible for the last 3 matches. The team was led by Seniors, Antoinette Debrough and Mandy Monell. The effort of returnees Danielle Newberry and Kristi Unzicker contributed to the team's success. Frances Genera turned in a solid performance at #3. The surprise of the season came from Sheryl Clark, who did an outstanding job at #6. Top Honors came to the team when Antoinette Debrough was named to the Southeastern District Tennis Team. For the second consecutive year, Antoinette and Mandy Monell carried themselves to the doubles quarterfinal of the Southeastern District Tournament.

SOCCER

1994 Was The Best Season Ever

The boys soccer team put together the best season ever last year positioning a 8 win 4 loss and 3 tie record.

Seven first year players started for the Presidents, combined with returners Ovion King, Jeremy Young, Brandon Williams, Shawn Epps and Richard Boone.

High points of the season included playing in the championship match of the Burton Invitation Tournament and tying one of the districts top teams 0-0 in a physical match.

SOCCER

The 1994 Girls Soccer team was coached by Mr. Daniel Lewandowski. The team consisted of both experienced and non-experienced players. Due to graduation in 1994, the team lost two of its players who made first team ALL-DISTRICT last year. They were Desi Ferdon and Corina Morrissette who attends Barton College on a Soccer scholarship. Mindy Cathell and Natalie Barnes both made the second team ALL-DISTRICT. Overall the team record was 5-8-2 and the district record was 1-4-1. Coach Lewandowski looks forward to the spring of "95" to improve the teams southeastern district record.

Don't miss it Natalie.

The Boy's Cross Country team had a successful season winning 5 meter and losing 3. The team qualified for the eastern regional cross country meet for the 2nd consecutive year. Two members of the team made the all Southeastern District team. They were Kenya Edwards and Perez Bottoms. These two young men are juniors and will return next year. Both are expected to qualify for the state meet next year. With the nucleus returning, the team expects to finish no lower than 2nd in the district. Members of the team were Kenya Edwards, Perez Bottoms, Bryan Bonner, William Edwards, Steve Rohimyour, Kevin Edwards, Orion King, Mustafa Muhammad, David Sweigert, and Kevin Cook.

Boys Indoor Track

The top runners were Bryan Bonner, 55 meter hurdles, Edwin Shannon, 55 meter hurdles, triple jump, Aaron Goodman, 55 meter dash, along with Mike Porter, Marlo Mullan and Dontaonio Howell. The 94-95 season brought newcomers such as Perez Bottoms, Kenya Edwards, DeMarkeo Hurdle, Stevie Veal, Rob Hargroves, & Orion King. The coaches look forward to the 95-96 season.

Girls Cross Country

The team consisted of one freshman, Erica Hines, 5 juniors, Tenita Harris, Christine Farrell, Heather Huddle, Devona Chambers, Jonelle Whitley, and one senior Natosia McNair. The record was 4-2. Jenota Harris was the team's MVP. She placed in the District Meet and went to the regionals.

The Wilson Volleyball team of 1994 consisted of fifteen freshmen, sophomores, juniors, and seniors. They were Judy Cohen (J), Jennifer Honeycutt (J), Anna Hatlapa (J), Amy Long (S), Claudia Tavares (S), Nikki Goral (F), Veronica Curry (J), Andrea Tueller (S), Christina Padilla (J), Carrie Holley (S), Kate Jacobson (F), Lynsey Ellis (F), Shana Harris (S), Latoya Owens (S), and Jessica Neumann (S).

It was the first year for most of the girls, and they did not win a game. They tried to do their best. The Wilson Volleyball team has been city champions seven times. In the last games LaToya Owens and Shana Harris were good at blocking, and Amy Long made several good sets to help them with spiking. Jennifer Honeycutt was substituted for serving and got three points for the team against Great Bridge.

BASKETBALL

The Lady Presidents got off to a great start led by Seniors Lavonya Blow, Latoya Owens, Antoinette Debrough and Aisha Williams. "Defense" is the name of the game at Wilson and it was led by Regina Cowan and Sonya Elliott. Our bench strength came from Ebony Oliver, Amanda Johnson, and Jewel Gatling. When it came to the 3 point shot, there were none better than Deshawna Faulks, Kim Silver, Shonda Gloud, and Katrina Evans who were late additions that contributed well.

Aisha Williams goes up with a strong lay-up.

Boys Have A Better

BASKETBALL

The Varsity Boys Basketball team is the smallest team (height-wise) in the district, and the area, among public schools. Our tallest starter is Perez Bottoms at 6'1.

Last year we won only one district game and finished tied for eight place. At time of printing, the team won 2 district games to date and hope to add a few more.

Size was obviously a weak point. Our strong points were speed, quickness and desire. We had a pretty good trio of guards that handled the ball in Darrius Edwards, Andy Ballard and Terrance Winston.

Perez Bottoms averaged fourteen points per game. D'Vorak Crocker played outstanding defense against bigger opponents every game. He and Perez did a great job rebounding, as well.

The 1994 varsity baseball team finished with a record of 7 wins and 7 loses. The team tied for 3rd place in the district and made the playoffs. The team lost to Great Bridge in the first playoff game. Vernon Carney and Dontray Smith were named co MVP's of the team. Both made 1st team all district. Johnnie West had the highest batting average and Daniel Forbes and Bruce Green each earned a gold glove award. The team graduated 9 seniors but the outline for the 1995 season looks good.

JV Boys Upset Norcom

The 1994-95 Woodrow Wilson J.V. Boys Basketball was a very enthusiastic bunch that played with heart for most of the season. They played over their heads in most games for they were smaller and less talented. The high point for the season was beating Norcom. The top players were Ade Patton, Karonzo Beamon, and Raphael Scarborough.

The J.V. Lady Presidents were in a rebuilding year. Several players from last years 6-8 team decided not to play. This years team started 2 eighth graders, so the future looks bright. The Lady Presidents record now stands at 2 wins, and 9 loses with 2 games remaining. With the players we have returning next year we're optimistic about our success.

JV Building With Youth

1993-1994 J.V. Baseball

The 1993-'94 season was the best for the Junior-Varsity team in the school's recent history. The young Mustang Presidents accomplished the school's first winning season with a record of 7 wins and 6 losses. The J.V. squad also set another school accomplishment when they beat the Wildcats of Great Bridge. This was their second to last game of the season. They won by a score of 4 to 2. Other highlights included victories over Western Branch, Indian River, Churchland, Norcom and Oscar Smith.

Veteran players Jeremy Cross, Scott Parker, Eric Coltrane, and Justin Johnson helped to lead the team by displaying a constant "Never Say Die" attitude.

Coach Roach is anxious for the 94-95 season to begin. Returning players for the 94-95 team include: Billy Collins, Eric Coltrane, Phillip James, Trent Jones, and Laurice Parham.

Senior Superlatives 95

Most School Spirited

One of the more favorite activities of a student's Senior Year is voting for Senior Superlatives. Each year the senior class meets and votes for the individual that they think will best represent the class in a particular area, such as Best Looking, Most Likely To Succeed, or Friendliest. Winning a Senior Superlative is truly a flattering experience since the winner is a representative of the entire class. Winners take pride in their achievement, and hold on to the memory forever.

This year the 1994-95 yearbook class consisted entirely of seniors. These students were busy fundraising, selling yearbooks, taking pictures, and creating layouts. The dedication of the members of this class shows through as they created our entirely new and entirely different yearbook.

Collectively, the class decided to "dare to be different". They created something unique by changing the tradition of having a school color for the background color on the cover of the yearbook. Also, the class rearranged various sections and added some new sections for the enjoyment of the reader.

As you might have seen, the yearbook class decided to purchase t-shirts to promote their cause during the time in which they were selling yearbooks. The t-shirts were widely complimented upon and were just what the yearbook class needed to motivate themselves to sell yearbooks.

The members of the yearbook class worked hard in their individual groups to complete a 200+ page book so that everyone combined could help create the lasting memories of high school, the yearbook.

Spirit week is always the week preceding the Homecoming game and this year it was October 10th-14th. That Monday, the week began with Mix-Match Day. Tuesday was Oldies Day and Wednesday was Switch Day. On Thursday everyone saw double because it was Twin Day. The culmination of Spirit Week was Friday with School Colors Day. The Homecoming Assembly and Pep Rally were held on this day. The purpose of the Assembly was to introduce the court to the student body. The Freshman Representatives were Brooke Smith and Alonzo Copeland, Mr. and Miss Sophomore were Lana Edwards and Kenyuan Walker, the Junior Representatives were Andrea Wilson and Robert Stitt, and the Senior class was represented by Phil West and Tameka Hicks. Finalists for Homecoming King were Michael Cumbia, Joe Jarman, LaMark Holley, and Randy Boone. The Queen Finalists were Mandy Monell, Teresa Seabron, Lavonya Blowe, and Latoya Austin. The pep rally after the assembly was to excite the student body before the game. The drum section of the band played and the cheerleaders did a few cheers. Even the football players got into the mood because some of them did a few cheers with the cheerleaders to end a very exhausting, but exciting day of school. That night was the game. The weather was terrible, it had been raining all day and continued to rain that night, but the game was played anyway. The Presidents were defeated by Oscar Smith by a score of 26 to 15. On an upbeat note, though, Homecoming King and Queen were Randy Boone and Lavonya Blowe.

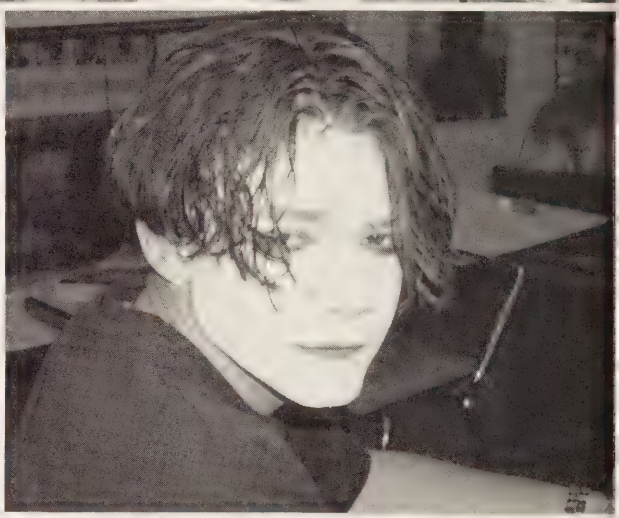
The Goblins Are Out At WWHS



Operation Santa Claus

Christmas is a time of caring and giving. There aren't any exceptions for the students at Woodrow Wilson High School. During the 88¢ Christmas season many clubs and homerooms came together to sponsor a child in need. Many children with lots were filled as they came to Wilson High school on December 21st. Children who normally wouldn't receive a present filled Christmas were overwhelmed with presents this year. Happiness filled the hearts of the students as they watched the children play with their new toys. Students at Woodrow Wilson can't say they didn't learn an important lesson on that day. A special thanks to Mr. Fine and the SCA who helped organize this charitable event.

I can't wait till Christmas!

And what can Santa bring you?

What can it be?

Wee!!!

Can it be what I asked for?

Homeroom III helps their child celebrate Christmas!

No Matter How You Stack It, 1994-1995
Was The Year For . . .

Fancy Footwear

Accessories played a major role in the all around high school look. Footwear, an important element of a student's wardrobe, came in various styles to please everyone. One of the most popular styles for both females & males, was the athletic shoe. It's comfortable, stylish, and can be worn with both casual and dressy clothes. The athletic shoe can be found in a variety of colors, materials, and styles. Other popular styles were boots, the baby doll look, and sling backs.

Life's Journey

As you travel this life's journey
And you need a guiding hand . . .
Just remember God is with you for
You know He understands.

As you face life's sure temptations
And your spirit becomes frail,
Just remember in his promise . . .
That He never, never fails.

As you go to seek God's blessings
As you bow your head in prayer . . .
Just believe in His mercy . . . He is
always, always there. Love, Mom
